Roger told Joel to send bill to MDS for East Ridge Road.

New Business – Garbage truck sole for \$8150 in Auction to Star Roofing. Joel made proposal to Roger order/buy new truck this year and snow plow the following paying with cash do to decrease road work expected next year. Universal is currently out 400 days to build truck from order date. Joel got estimates on pricing options on building new trucks. International - \$151,000; Western Star - \$165,000; Kenworth - \$170,000. He prefers Western Star model due to the Cummins Motor over other options and is concerned about International discontinuing it's engine, as Viroqua just received new truck and are unable to now get parts. This will be discussed more at upcoming budget meetings.
